*Midway

School*

We're from Eagle's High
Loyal and true
Red, white, and blue
To victory we hail thee.

Hail to thee, Eagle's High
Toward our victory
Hail to thee, Eagle's High
With all our faculty.

We're from Midway High
Proud of our school
Sportsmanship and faith
Will always be our rule.

IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States

When in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, —That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, dictates that Governments long established should not be changed for light and transient causes; and accordingly we have suffered the longest continuance of a Government under a King, whose character is so marked by every mark of a Tyranny, that it is now necessary to alter the former System of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in their direct and consequential consequences a total destruction of the Rights of the Colonies. We have petitioned and supplicated for redress, and we have petitioned in vain. We have petitioned and supplicated in vain, and we have petitioned in vain. We have petitioned and supplicated in vain, and we have petitioned in vain. We have petitioned and supplicated in vain, and we have petitioned in vain.

We the People
do hereby

Principal's Message

MR. CHARLES F. SHORT
Principal

The purpose of a yearbook is to record the past history of a school. There will be many memories in this annual that you will cherish forever of your academic achievements, participation in social functions, athletic achievements and the satisfaction of achieving goals at Midway High School that seemed beyond your comprehension.

To the seniors who are leaving, I extend a sincere wish that you succeed to the fullest in your chosen fields. We hope that the experience and events at Midway High School have helped you to become a good, successful and well-adjusted citizen. To the under classes, may our future association be pleasant and profitable to you and the school.

May this book be a continued reminder of the many friends, experiences and pleasures we have shared during these past years.
